Mrs. Burns' Letter

- O -

Here is a letter that is certain to prove of interest to people in this vicinity, as cases of this sort occur in almost every neighborhood and people should know what to do in like circumstances:

Savannah Mo., Oct. 12, 1916
"I used a bottle of Chamberlain Colic & Diarrhoea Remedy about nine years ago and it cured me of flux (dysentery). I had another attack of the same complaint some three or four years ago and a few doses of this remedy cured me. I have recommended Chamberlain's Colic and Diarrhoea Remedy to dozens of people since I first used it."

CALOMEL SALIVATES AND MAKES YOU SICK

Acts Like Dynamite on A Sluggish Liver and you lose a day's work

There's no reason why a person should take sickening, salivating calomel when 50 cents buys a large bottle of Dodson's Liver Tone—a perfect substitute for calomel.

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can not salivate.

Children and grown folks can take Dodson's Liver Tone, because it is perfectly harmless.

Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tone instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tone acts better than horrible calomel.

THE TRUCK INDUSTRY

of the United States has not been curtailed, but increased at the earnest request of the government.

The United States government is buying more motor trucks today than all commercial houses combined.

THERE'S A REASON:

Without the motor truck the United States government could not prosecute the war and make the rapid strides that it has done.

The government cannot afford not to use motor trucks

HOW ABOUT YOU?

We have in transit one of the International two ton trucks. It will be on display in our showrooms. You are cordially invited to look this truck over, and we would be glad to give you a demonstration.
